REMINDER: Posting Program/Student Outcomes

Your responses to Program/Student Outcomes questions from this survey need to be made publicly available on your program's website by January 7, 2022, and a hyperlink to that web page needs to be sent to cacrep@cacrep.org. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a link to your completed report will satisfy this requirement.

If you are a new program completing the Vital Statistics Survey for the first time, you need to publicly report these data points in a program outcomes report on your program website. Once this report has been posted, you then need to send a hyperlink to the report via email to cacrep@cacrep.org.
